Subpart K—Agriculture Innovation Demonstration Centers

SOURCE: 69 FR 23433, Apr. 29, 2004, unless otherwise noted.

§ 4284.1001 Purpose.

This subpart implements a demonstration program administered by the Rural Business-Cooperative Service whereby grants are made to innovation centers responsible for providing technical and business development assistance to agricultural producers seeking to engage in the marketing or the production of Value-Added products.

§ 4284.1002 Policy.

It is the policy of the Secretary of Agriculture to fund Centers which evidence broad support from the agricultural community in the state or region, significant coordination with end users (processing and distribution companies and regional grocers), strategic alliances with entities having technical research capabilities and a focused delivery plan for reaching out to the producer community. It is also the policy of the Secretary, using the research and technical services of the U.S. Department of Agriculture, to assist the grantees in establishing Centers. This program is not intended to fund scientific research.

§ 4284.1003 Program administration.

The Agriculture Innovation Demonstration Center program is administered by Cooperative Services within the Agency.

§ 4284.1004 Definitions.

Board of Directors—The group of individuals that govern the Center.

Center—The Agriculture Innovation Center to be established and operated by the grantees. It may or may not be an independent legal entity, but it must be independently governed in accordance with the requirements of this subpart.

Producer Services—Services to be provided by the Centers to agricultural producers. Producer Services consist of the following types of services:

(1) Technical assistance, consisting of engineering services, applied research, Scale Production Assessments, and similar services, to enable the agricultural producers to establish businesses to produce Value-Added agricultural commodities or products;

(2) Assistance in marketing, market development and business planning, including advisory services with respect to leveraging capital assets; and

(3) Organizational, outreach and development assistance to increase the viability, growth and sustainability of businesses that produce Value-Added agricultural commodities or products.

Qualified Board of Directors—A Board of Directors that includes representatives from each of the following groups:

(1) The two general agricultural organizations with the greatest number of members in the State in which the Center is located;

(2) The State department of agriculture, or equivalent, of the State in which the Center is located; and

(3) Entities representing the four highest grossing commodities produced in the State in which the Center is located, as determined on the basis of annual gross cash sales.

Scale Production Assessments—Studies that analyze facilities, including processing facilities, for potential Value-added activities in order to determine the size that optimizes construction and other cost efficiencies.

§§ 4284.1005–4284.1006 [Reserved]
